

"What to Do When You Can't Afford an Attorney"

The Virginia State Bar Special Committee on Access to Legal Services is pleased to offer access to a recording of the free public information webinar "[What to Do When You Can't Afford an Attorney](#)" held on November 29, 2016. (One must register in order to view the recording.) The program covered a variety of free and low cost options for legal assistance, including Legal Aid, Nonprofit Legal Service Organizations, virginia.freelegalanswers.org and more.

A copy of the slides for this webinar is available here:
