New platform - new look

The web content management system for this website has been upgraded.

No content was removed – but the changes provide a smoother mobile user experience.

A new **Quick Exit** feature now appears on the upper right corner of every page. Clicking that red door icon erases the search history and opens a weather page in its place.

Hover a mouse over words with a dashed underline to see a definition for that word/phrase.

TIP: after selecting a Topic, click on the topic name in the white panel to see all available information of the topic.
