## Find a Case

Information about civil and criminal cases in the *General District Court* and the *Circuit Court* is available online by selecting an individual court location using one of the below links. To protect confidentiality, no case information is available online for cases in the *Juvenile and Domestic Relations Court*.

Visit our [Find a Court](#) page to learn more about which types of cases are heard where.

### [Circuit Court On-Line Case Search](#)

NOTE: There is no statewide search option for circuit court cases in Virginia. Many circuit courts in Virginia either do not use an online case information system or use a different online system. For these courts, one should navigate to the specific local government Clerk of Circuit Court website for more information, including address and telephone number.
