"What to Do When You Can't Afford an Attorney"

The Virginia State Bar Special Committee on Access to Legal Services is pleased to offer access to a recording of the free public information webinar "What to Do When You Can't Afford an Attorney" held on November 29, 2016. (One must register in order to view the recording.) The program covered a variety of free and low cost options for legal assistance, including Legal Aid, Nonprofit Legal Service Organizations, Virginia.freelegalanswers.org and more.

A copy of the slides for this webinar is available here:
